

The Book Shop
[Harrisburg, PA]

1922

8/25/22

Can you tell me the name of a good general book on coins? One that will be of interest and information to a boy who starting a collection.

Very truly yours,

The Book Shop,
219 N. Second St.,
Harrisburg, Pa.

THIS SIDE OF CARD IS FOR ADDRESS

American Numismatic Society,
Broadway at 156th St.,
New York, N. Y.

August 28th, 1922.

The Book Shop,
219 N. Second Street,
Harrisburg, Pa.

Gentlemen:-

Responding to your inquiry regarding a good general book on coins for a boy who is starting a collection, I would refer you to Hawling's "Coins and How to Know Them". If he has a background of history, Haslitt's "Coinage of the European Continent" would be of use.

There is no good introduction to the coins of the United States. As a matter of fact, they are not a very rewarding series for a student. If he wants a list of our United States coins, he can obtain such by sending thirty-five cents to Guttag Brothers, 32 Wall Street, New York.

Very truly yours,

Secretary.
